Subject: Welcome to RIMS Silver Jubilee Alumni Meet - 24th November 2018

Dear,

Before you read further, how about starting with this!

I HAD THE STRANGEST FEELING AT MY CLASS REUNION A LOT OF MY FRIENDS CHANGED SO MUCH THAT THEY FAILED TO RECOGNISE ME.

This morning did you get the feeling that RIMS, your almatmater, which you left 25 long years back, is beckoning you! Then the answer is a big 'YES'. Remember, when you walked into its tiny compound with doubts clogging your mind with 'WHAT NEXT.' And, now after 25 yrs when you get up and say your morning prayer thanking to the almighty for having made your life, a small portion of that prayer, without your knowledge also thanks this institution, 'RIMS' for having shaped your dreams.

Now, you must be wondering why RIMS is trying to make you nostalgic and slightly emotional as well and may be a lump at your throat. Well, it is time for coming back to the lap of that great institute, to whom you unwittingly thanks every day morning in your prayer.

WE ARE ORGANISING A 25 YEARS CELEBRATION OF YOUR BATCH HERE IN RIMS.

Come here and experience the thrill of not getting recognizing and also failing to recognise your friends, who for two years definitely made your life miserable and heavenly also.

Success, like beauty is relative, still all of us have a common yardstick of success in our minds. And, do not you think you shall spend some of your success mantras and also experience with us in the midst of your friends.

for that is here now. Read the fixtures below to learn everything in details so that you plan at w you can contribute to make this reunion a memory of lifetime.

The great Narayan Murthy of Infosys once said, “Nobody is bothered about an institution, more than its alumni.” We seriously endorse this view of Murthy. At least once you must have thought of visiting us, but aborted the idea. Work pressure, no time, probably getting bored without friends, are some of the reasons for which you did not turn up. Here, we are giving you an opportunity to gel with your buddies, along with you family members without any tension. For that we are informing you much earlier so that you can plan out without really bothering.

Remember, what Jenifer Koner said, “It’s very hard to get together with friends. You rarely see friends as a whole group.” For you we are creating the opportunity to meet your friends in a group and share all your memories.

You may wonder, why we are doing this for you. Well we are also little selfish. The great Shiv Nadar said, “A founder can carry an institution only so far, and others have to step in including the alumni. That’s how an institution becomes one.” In the periods, after you left, we have seen many ups and downs, but have managed to stay float and then finally found us on solid grounds. From now onwards we look forward to touch our own sky, which we have visualised, but for that we need all of you with us. Let us all make this a great networking opportunity and win-win strategy for all.

So, let us meet and discuss. And we assure you the meeting will have so much of excitements stored for you that there will be no dull moments. With you starts the silver jubilee batch. So we look forward to meet you along with your family members and class mates. Your suggestions on the event highly solicited to make it memorable.

A line of consent from your end will help us in making the arrangements, accordingly.

Waiting for your early reply at alumni@rims-edu.com / santosh@rims-edu.com

Thanking you.

Yours Sincerely,
